# Where was I ?

**What i learned:**

**1. Speaking the native language is paramount**

What I learned:

## 2. Find a local community

What i learned:

**3. Driver license is a must (rent a 4x4 jeep)**

What i learned:

**4. Find a place that is safe  
and has locals who  
you can trust**

What i learned:

**5. Electricity is important**

What i learned:

**6. Prepare some arguments to explain that you are going to teach girls equally**

What i learned:

7. Teach and test (they always say "yes")

What i learned:

**8. Be prepared to work without internet**

What i learned:

**9. Make a manual with COMICS  
(do NOT use text)**

What i learned:

**10. Dont be afraid**

# What i learned

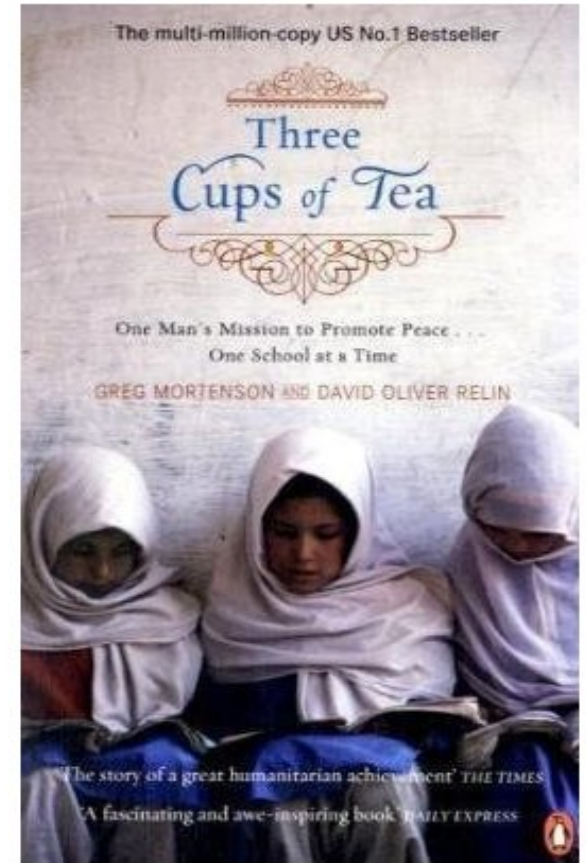

1. Speaking the native language is paramount
2. Find a local community
3. Driver license is a must (rent a 4x4 jeep)
4. Find a place that is safe and has locals who you can trust
5. Electricity is important
6. Prepare some arguments to explain that you are going to teach girls equally
7. Teach and test (they always say "yes")
8. Be prepared to work without internet
9. Make a manual with COMICS (DO NOT USE TEXT)

**10. Don't be afraid!**
