PRIVATE INVESTIGATIONS

The background is a dark, stylized illustration. It features a city skyline with several skyscrapers. A rocket is shown launching from the left, with a large, ornate, multi-colored flame trail. A satellite dish is positioned in the upper right, pointing towards the rocket. A red dashed line curves across the scene, possibly representing a signal or a path. The overall aesthetic is reminiscent of a vintage sci-fi or action movie poster.

Did we lose the war?
