

Investor-State Dispute Settlement

ISDS gives multinationals
the right to sue states
before special tribunals
if changes in law may lead to
lower profits than expected

project: ISDS

Investor-State Dispute Settlement

expected future profits

3 investment lawyers,
above supreme courts

project: ISDS

Investor-State Dispute Settlement

companies equal standing to states

investment lawyers decide in conflicts between
companies and states

project: ISDS

Investor-State Dispute Settlement

Nobel laureate in economics Joseph Stiglitz:

“The real goal is to restrict governments’ ability to regulate and tax corporations”
